Why advertising with MyAuditions is a smart move

MyAuditions advertising campaigns offer an efficient and easy way to get in front of the largest performing arts audience of the Web. Whether you're trying to advertise a product, looking to fill a job, or promote a service, MyAuditions targets your message to a very exclusive and unique community.

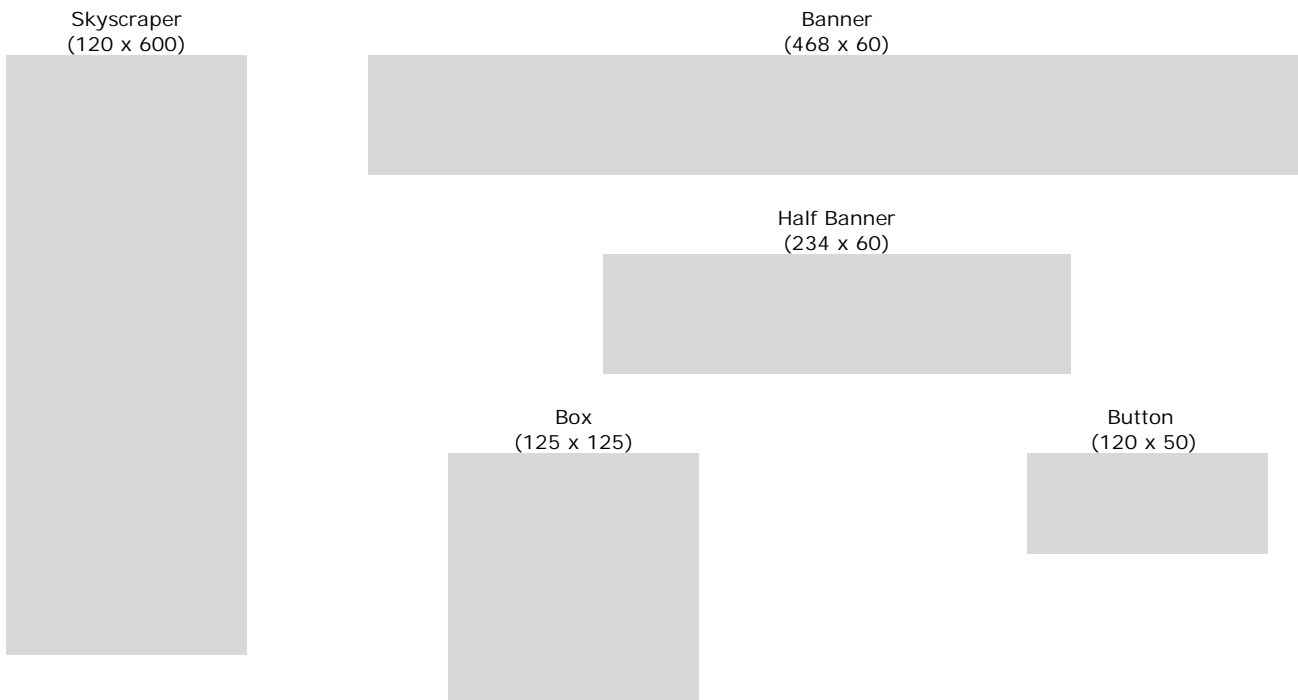

Target your audience

We maximize your revenue by showing the right advertising campaigns to the right people. Our campaigns target specific demographics with strategically placed banners to those individuals and groups most interested in your services and/or products.

Measure and track performance

To measure the effectiveness of your banner campaign, you can:

- Track campaign performance through one secure intuitive interface
- Determine campaign true value with click through to conversion tracking
- View weekly campaign-specific performance reports automatically emailed
